Many people spend a great deal of time at work and yet they don't see how their work intersects with their faith. The Work as Worship Retreat at GracePoint is a chance to spend a day interacting with, praying with, and encouraging fellow business leaders and workers. During this live stream event, you will hear rich content with biblical teaching and practical advice from seasoned Christian speakers. One of the goals of this retreat is helping people realize that there isn't a divide between the sacred and secular parts of our lives and that working with our God-given skills can be an act of worship. Register online via the Events tab in our ExploreGracePoint app, or go to workasworshipretreat.org.

GLOBAL PARTNER OF THE WEEK Don & Janet Ekstrand

The Ekstrands work with SEND International at the Christian Academy of Japan (CAJ). Don teaches instrumental music at CAJ, and Janet teaches first grade. The Ekstrands just completed a one year home assignment. As they prepared to return to Japan, they recently shared with some on the missions committee, and other supporters, how God is working in the lives of their internationally diverse student body. Please pray that they continue to see their students grow in their faith, and in their academic pursuits, as these students have great potential to impact their various home cultures for Christ. Pray for Don and Janet as they enter back into their teaching roles, for their 2 older daughters teaching in Japan, for Collin, in school in Canada, and for Brennan, as he continues in high school at CAJ.

Please check the binder in the church library for more detailed information about all the global partners GracePoint supports prayerfully and financially.
