GLOBAL PARTNER OF THE WEEK

Dan and Sandy Varberg

Dan and Sandy Varberg live in Manila and serve at Faith Academy, which enables others to minister in various capacities in SE Asia. Sandy serves as Head School Nurse and runs Health Services, and Dan works in the Facilities Department. Varberg's write:

"The 2017/2018 school year started on August 2. This year there are 516 students, 40 of those live in three boarding homes that are run by Faith Academy. Sixty-six percent of the students are the children of missionaries. The students come from 18 different home countries - 31% are South Korean, 26% are from the USA and 25% are Filipino." Varbergs returned to the U.S. in June, 2017 for a one year home assignment, and have been visiting supporting churches all around the country. Dan and Sandy praise God for his faithfulness in answer to your prayers, including being at 100% in their monthly support (making up a 15% deficit!). They are also thankful for safe travels and productive visits with their supporting churches, and for continued healing for Sandy's foot (from bunion surgery in Dec.), and for the marriage of their son, Micah, to Hannah on May 4th. Now you can transition to praying for their transition this summer back to their ministry lives at Faith Academy. An April blizzard will soon seem like a distant (though vivid) memory as they get back to a more tropical climate.

Please check the binder in the church library for more detailed information about all the global partners GracePoint supports prayerfully and financially.
