

Yarn Over: A Crochet Night

Come hang out in the Bridge and learn how to crochet or knit! The first night Sarah Bennett will teach some basic knots & how to crochet hats. You should purchase & bring your own hooks & yarn from Michael's (so you can choose your favorite color, softness, & thickness). Otherwise, bring \$5-10 & Sarah will have some supplies on hand. **For any questions about supplies, please call Sarah Bennett (612.964.1315)**

LAP: Life Application Project/ Open Bridge Study Opportunity

Sun evenings, 6-8pm, from Feb 12-Mar 4, come learn from local experts about ethics, Jesus' leadership style, Moses' message, or your family. You pick 1 or 2 topics & follow that theme for 4 weeks. Adults pay \$10, but students are free! This is a unique chance to learn about important topics from teachers I have had and love. For those interested in only taking one course and/or needing to work on their school homework Sunday evenings, the Bridge will also be open from 6-8pm, so you can hang out and work on homework together. LAP session one runs 6-6:45pm & session two 7:15-8pm in the church, with a light refreshment break between sessions. So whether you choose 1 class, 2 classes, or simply work on homework in the Bridge, Sun evenings this Feb will be a great time to stretch your mind at church! For more details about the classes or to register, visit: gracepoint.eventbrite.com
